

POLICY UPDATED 9/15/21:

- We require that all of our Guests and Employees are vaccinated against Covid-19
- We ask to see our Guest's vaccination card (with ID) at the Host stand for Indoor *and* Outdoor dining
- We welcome kids who are currently unable to get vaccinated and ask that they wear a mask
- Medical notes are accepted
- We continue to socially distance tables, sanitize between seatings, and use disposable menus
- Guests and Employees may also choose to mask or not

***We understand that our move to require proof of the Covid-19 vaccination is not without controversy, but we believe it is the right thing to do.
We appreciate your support.***
